WORLD HEALTH FORUM

Volume 13, 1992

World Health Organization, Geneva

Subject Index

(The subjects of WHO activities and recommendations, which appeared in the WHO Notes & News section of *World Health Forum,* are indexed separately on p. 4).

acupuncture, China, 51
advertising, tobacco products, 204
Africa, rheumatic heart disease, 331
alcohol drinking, Japan, 326
  psychology, 363
    Sri Lanka, 368
  see also substance abuse
allied health personnel, Sri Lanka, 52
Amnesty International, 56
appropriate technology, birth kits, Bangladesh, 66
  developing countries, 356
Argentina, midwifery profession, 291
Armenia, earthquake, 206
astronauts, health effects of space flights, 144
Australia, road safety measures, 154

Bahrain, nursing, Round Table, 1
Bangladesh, birth kits for safe motherhood, 66
books, basic medical texts for developing countries, 240
Botswana, nursing, Round Table, 1
Brazil, pharmaceutical information system, 196
breast cancer, screening, Round Table, 277
breast-feeding, media promotion, 197
Bulgaria, decentralization of health care, 334

cancer of breast, role of screening, Round Table, 277
cardiovascular diseases, prevention, Netherlands, 257
cattle diseases, prevention and control, 130
cerebrovascular disorders, prevention and control, Micronesia, 44
childbirth at home, education, Nepal, 353
China, acupuncture in primary health care, 51
  tobacco legislation, 205
cholera, prevention and control, Peru, 352
community education on stroke, Micronesia, 44
community participation, filariasis control, India, 177
consumer participation, Nigeria, 352
coronary disease, prevention and control, Finland, 346
cross-cultural comparison, health care for Hmong communities, USA, 315

dairy industry, need for modifications, 70
data collection, European housing, 237
deficiency diseases, prevention and control, 222
Denmark, management of incontinence, 81
development, World Vision Australia projects, 207
disabled, telecommunications systems, 84
disaster, earthquake, Armenia, 206
district health systems, Sudan, 31
drug utilization, Europe, 218

economics, macroeconomic approach, 165
  proposed information exchange, 202
Egypt, teaching English to nurses, 350
emergency medical services, Armenia, 206
  cholera outbreak, Peru, 352
English language, training for nurses, Egypt, 350
environment, effects on health, 47, 48
  European questionnaire on housing, 237
  healthy cities project, France, 232
  urban slum improvement, 244
ethnic groups, health care for Hmong communities, USA, 315
  mental health, Europe, 351
Europe, ethnic minorities, mental health, 351
evaluation studies, maternal and child health services, Latin America, 139

father-child relations, India, 347
fees, comparison of East-West medical services, 38
fever, determination in children, Turkey, 199
filariasis, prevention and control, India, 177
financing, health care, 165
Finland, health policy, 336
  nursing, Round Table, 1
  World Health Day activities, 346
food habits, Europe, 218
forms and records control, Ghana, 348
France, healthy cities project, 232

Gambia, training nurses as anaesthetists, 208
geriatrics, Malaysia, 300
Ghana, Ministry of Health's records control, 348

health care financing, 165
health education, by schoolchildren, India, 54
for seafarers, 52
sex behaviour in tourist resorts, UK, 77
stroke, Micronesia, 44
through multilingual tapes, Thailand, 23
health for all, knowledge among private practitioners, India, 349
health information, bibliographic control, Nigeria, 202
health insurance, India, 171
health paradigm, 194
health policy, Finland, 336
health promotion, breast-feeding, 197
heart health in schools, Netherlands, 257
poliomyelitis vaccination, India, 203
through postage stamps, 20, 48
health systems, decentralized, Bulgaria, 334
East-West comparisons, 38
nomadic populations, 307
Niger, 311
see also district health systems
health systems research, definition, 193
Papua New Guinea, 188
health workers, training, India, 295
training in rehabilitation, Pacific Islands, 303
healthy cities project, France, 232
hospital-physician joint ventures, USA, 201
human rights, Amnesty International, 56

immunization, media promotion, India, 203
Rotary International, 10
Thailand, 15
incontinence, management in Denmark and UK, 81
India, community participation in filariasis control, 177
father-child relations, 347
health education by schoolchildren, 54
health insurance scheme, 171
media promotion of poliomyelitis vaccination, 203
pharmacology teaching, 151
training health workers, 295
Indonesia, maternal mortality, 59
nursing education, 49
information systems, pharmaceuticals, Brazil, 196
urban slum improvement, 244

Japan, alcohol drinking, 326
control of substance abuse, 320
nursing, Round Table, 1

Kenya, traditional birth attendants as nutrition counsellors, 197

Latin America, maternal and child health services, 139
legislation, tobacco, China, 205
libraries, core collections for developing countries, 240
Libya, screwworm infestation, 130

Malaysia, geriatrics in medical curricula, 300
tobacco smoking survey, 347
traffic accidents, 163
management, Ministry of Health records, Ghana, 348
mass screening, for breast cancer, Round Table, 277
maternal health, childbearing, Nepal, 353
maternal health services, Latin America, 139
maternal mortality, Indonesia, Philippines, Thailand, 59
Third World, 343
medical education, geriatric, Malaysia, 300
Nigeria, 199
pharmacology, India, 151
see also training
mental health, ethnic minorities in Europe, 351
Micronesia, community education on stroke, 44
micronutrients, 222
midwifery, Argentina, 291
myiasis, Libya, 130

naval medicine, 52
Nepal, education for home childbirth, 353
Netherlands, heart health promotion in schools, 257
Niger, primary health care for nomads, 311
Nigeria, bibliographic control of health literature, 202
consumer participation, 352
medical education, 199
vesicovaginal fistula, 54
nongovernmental organizations, Amnesty International, 56
Rotary International, 10
World Vision Australia, 207
